

SCARBOROUGH CAMERA CLUB – SCAVENGER HUNT 2011-2012

All images are due on or before **January 10, 2010** – Email them to me at ggimages@sympatico.ca or give a CD. Size to be as per our submissions. Jpeg with 1024 max length or height.

The following are your Scavenger Hunt items. Tag them as follows

(*****) is your initials and number – i.e. GS123

- 1-*****-Waterfall
- 2-*****-Fireworks (See option 11)
- 3-*****-Yellow Rose(s)
- 4-*****-Wind Mills
- 5-*****-Hay Bales
- 6-*****-Cat or Dog Portrait
- 7-*****-Sunset or Sunrise
- 8-*****-Sports Action
- 9-*****-Midway or Carnival ride (Showing motion)
- 10-***** Architectural Building (Abstract)
- 11-*****-Snowman option

The idea is to get all the subjects and to record them in a good photographic way. The better the shot, the better the score.

Each of the topics is easy to find however the challenge is to show them in a unique way and to have fun doing it.

Item 10, Architectural Building, should not just be the building but a part or very graphic piece of that building. It is not necessary to recognize the building. More fun to see if we can recognize it by your photograph.

Have fun and be ready for January 2012.

Gord
